

BRINGING ALL THE RIGHT THINGS TOGETHER

SERVICE BRIEF

Geoprobe Direct Push

Environmental and Geotechnical Drilling

Geoprobe Direct Push

EnviroProbe is a woman-owned small business headquartered in Nitro, West Virginia. Our experienced operators have provided direct-push, environmental and geotechnical drilling services since 1995. EnviroProbe's operating region varies depending on the scope of work, but typically includes Kentucky, Maryland, Ohio, North Carolina, South Carolina, Virginia Pennsylvania, and West Virginia. We operate a Geoprobe® 3230DT, 7822DT, 7720DT, CME-45 (Track), CME-55 (Track), and a Mobile™ drill rig (Truck). We operate low-profile rigs that are highly maneuverable and applicable in a wide variety of situations.

We provide (1) Geoprobe® services, (2) drilling and/or monitoring well installation, or (3) a combination of both. EnviroProbe guarantees competitive costs, quality workmanship, and no surprises. We have complete insurance coverage including pollution liability.
