Environmental Services*

Spill Response

EnviroProbe is a woman-owned small business headquartered in Nitro, West Virginia. Our experienced operators have provided direct-push, environmental and geotechnical drilling services since 1995. Our professionals have worked with numerous clients on emergency spill response and hazardous waste cleanup projects.

Our professional staff has the necessary training and experience for the following services:

- Highway Accident/Leak Response
- Fixed Facility Accident/Leak Response
- Rail Line Derailment/Accident/Leak Response
- Waterway Accident/Leak Response
- HAZMAT Spill Response and Incident Management
- Emergency Response and Containment
- Site Remediation and Restoration
- Waste Characterization, Management, and Disposal
- Regulatory Communications, Negotiations and Liaison
- Spill Reporting
- Public Relations
- Litigation Support, Evidence Retaining and Storage
- Environmental Site Assessment, Permitting, and Remediation
- Civil and Environmental Engineering
- Mobile Remediation Trailer (Dual-Phase Recovery)
- Mobile Spill Response Trailer (booms, absorbent pads, generator, pressure washers, recovery tanks, etc.)
- Compliance Services (SPCC, SWPPP, NPDES)

EnviroProbe is prepared to respond immediately with the staff and equipment to provide incident command, emergency response and containment, waste collection, and disposal.
